Sustainability

Prioritize Your Sustainability.

Seaman Paper makes choosing sustainable packaging easier with our sustainability framework.

Look for these icons throughout the catalog to choose the SatinWrap® tissue papers that best align with your sustainability goals.

Certified Recyclable

How2Recycle®

How2Recycle® has evaluated all of our SatinWrap® tissue papers. We are now using their logos to help communicate SatinWrap's recyclability.

How2Recycle® is a standardized labeling system that clearly communicates recycling instructions to the public.

FSC Certified

FSC® Certified Colors

All of our stock SatinWrap® solid colors are FSC® certified.

FSC® certification ensures that products come from responsibly managed forests that provide environmental, social, and economic benefits.

100% Recycled Content

Made with Recycled Content

We now offer SatinWrap® 100 White and Kraft with 100% recycled fiber. As always, our solid color SatinWrap® tissue papers contain a minimum of 10% and up to 70% recycled content. Recycled content varies by color.

ReColor

SatinWrap® ReColor

Not ready for custom printed tissue paper just yet? No problem. Our SatinWrap® ReColor program allows you to select any of our designs labeled **"ReColor"** and recolor them with your brand's colors. The color circles next to **"ReColor"** indicate how many colors to select and which number is associated with which color.

With 68 base colors to choose from, and no shortage of customizable designs, use our existing printing plates and bring your brand colors to our designs for a quick, easy, and cost-effective way to brand your packaging.

Example: Change 1 to Red PMS 186U and 2 to Green 356U
